

Choices™ Seminars

Wellington Friday 13th March & Saturday 28th March
Christchurch Friday 20th March & Saturday 21st March
Kapiti Friday 27th March & Sunday 5th April

Introduction

Choices™ seminars provide an opportunity for potential members of the programme and the general public to explore how taking action for sustainability can bring benefits to individual households and the community.

Each seminar has 3 components:

Session 1 - My sustainability *Choices*

9 am registration, 9:30 start (Duration 1 hr)

Participate in *Choices*™ to discover how taking action for household sustainability can benefit you as an individual
Learn about the online tool
Find out how you can get free expert advice on a range of sustainability issues and get connected to the best products and services available

Suitable for all ages. No previous experience necessary
Cost: FREE

Session 2 - My community

11 - 12:30 lunch provided, 1 -2:30 (Duration 3 hrs)

Learn how you can lead your group, organisation, workplace, community or household to take action for sustainability
Easy 5-step process giving you guaranteed results using voluntary behaviour change methodology
Use the unique *Choices*™ on line tool to build engagement and track outcomes
Find out how you can get your own and other groups involved through the *Choices*™

membership scheme

Discover earning opportunities as a sustainability 'networker'

Suitable for groups or individuals seeking to foster action for sustainability within their community

Cost: FREE

Session 3 - Providers' opportunities

3 - 4.30 (Duration 1.5 hrs)

Explore how the *Choices* programme can add value to your work as a sustainability provider. Get excellent levels of community engagement, convert engagement to action and show tangible results with real-time reporting.

Suitable for NGOs, local and central government and business.

Cost: FREE

To find out more about *Choices*, email Emily Buskirk Project Manager, emily@sustaintrust.org.nz or phone 0800 GET CHOICES.
